# The G&S 30th ANNIVERSARY GALA AUCTION IS COMING UP AND IF YOU NEED IDEAS, WE GOT 'EM!

Your donations will make the 30th Anniversary Gala the over-the-top event that supports GSSCC for seasons to come! Many folks have asked what they might donate, so here are some ideas to consider so you can join the generous group of 30th Anniversary Gala Auction Donors!

- A round of golf at your country club
- Tickets for an event from your subscription package
- That electronics you bought online on a whim but never used
- That thoughtful gift you will never use (that may even come in its original packaging)
- Antique sterling silver items
- Special table china, porcelain statues or decorative items
- A charming wall hanging or picture that doesn't fit your new décor
- That super cool knitted item you made but never used
- And for you teachers – how about private tutoring for a high school student
- For you exercise instructors – how about lessons in tai chi or yoga
- For you photographers – how about photos you will come take on a buyer's garden, home, etc.
- Ditto for painters – offer your time
- Ditto for Interior Decorators – offer hours of your consulting services
- Musicians – how about music you will provide for the buyer's event
- Gift certificate you secure from your favorite shop, restaurant, pub or massage therapist!
- Have a vacation home? Donate a weekend or week-long stays!

There is also the delight of creating a basket of goodies – some folks put together and “dress up” a basket of goodies themselves, while others gather the items and the Gala committee can prepare and dress the basket for the auction. Here are some always-popular basket ideas, as well as a couple of other ideas to spark your creativity:

- Bottles of wine – baskets often include wine paraphernalia, snacks, cocktail napkins, etc.
- Gardening Surprises – basket might include gloves, tools, seed packets and other gardening items, even some started plants!
- Beauty to Go -- gift certificate from barber/hair stylist, plus brush/combs, shampoos and other products
- Best of W – gift certificates for restaurants, goodies from shops, etc.
- Historical Society Special – membership in Chester County Historical Society plus items from the gift shop
- Party to Go! You create it – a party for kids, a party for adults, your imagination rules!
- Reading for Kids – a collection of books for kids of a certain age, plus gadgets/toys and things that will appeal to your target age group

Thank you so much for contributing to the 30th Anniversary Gala Auction  
in any way you can -- every bit helps!!
